

REMARKS

Claims 1-70 were pending. Claim 23 has been amended to correct the dependency, Claims 36-70 have been cancelled, Claims 71-91 have been added, Claims 8-17, 25-31, 35, 77-78, and 86-87 and 91 have been withdrawn. Support for new Claims 71-91 can be found, e.g., in Fig. 3 and supporting text as well as in originally filed Claim 18-35.

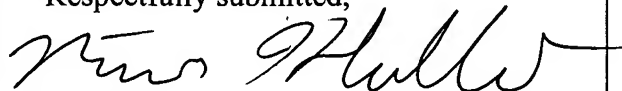

In response to the Election/Restriction requirement, Applicant elects the species listed by the Examiner as "the third embodiment, shown in Fig. 3" without traverse. Applicant points out that Fig. 3 includes LEDs 172 and 174, which is noted in the application "may be similar to the LEDs discussed in reference to Fig. 2A, 2B, and 2C." Generic claims readable thereon include Claims 1-7, 18-24, 32-34, and new Claims 71-76, 79-85, and 88-90. Accordingly, Claims 36-70 have been cancelled and Claims 8-17, 25-31, 35, 77-78, and 86-87 and 91 have been withdrawn as they depend from generic claims.

It is believed that no fees are due. Nevertheless, if the Patent Office determines that an extension and/or other relief is required, Applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with this filing of this document to Deposit Account No. 50-2263 referencing LUM03-06-09 US.

Should the Examiner have any questions concerning this response, the Examiner is invited to call the undersigned at (408) 982-8202.
